Ridgway, Pennsylvania

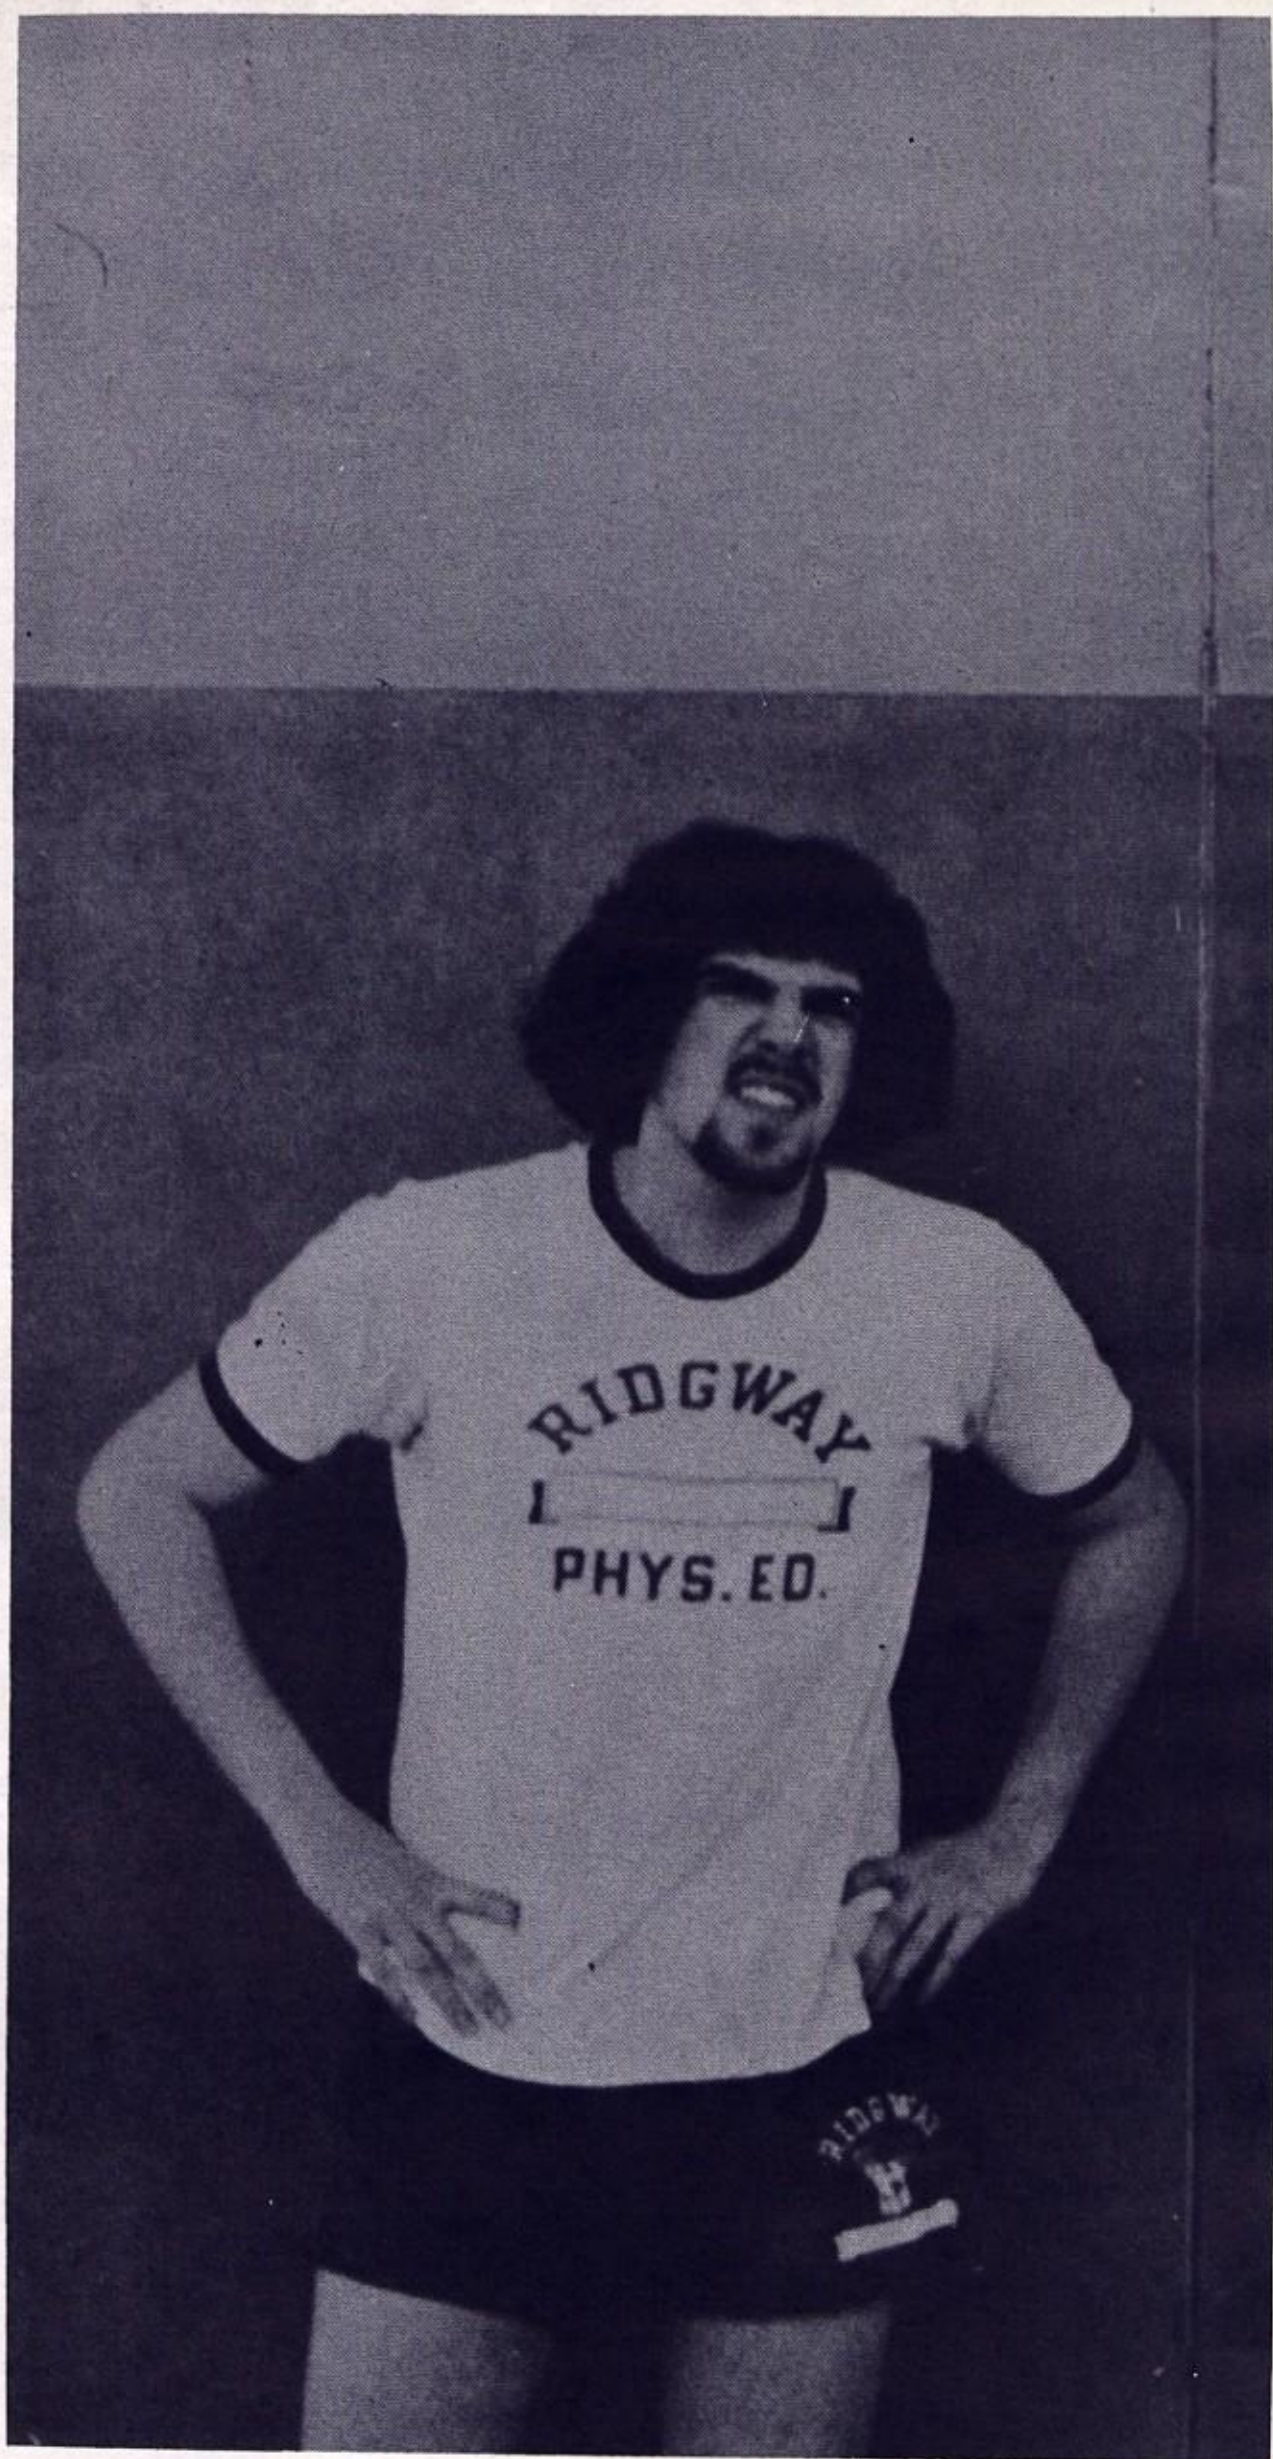

Dedication 1976

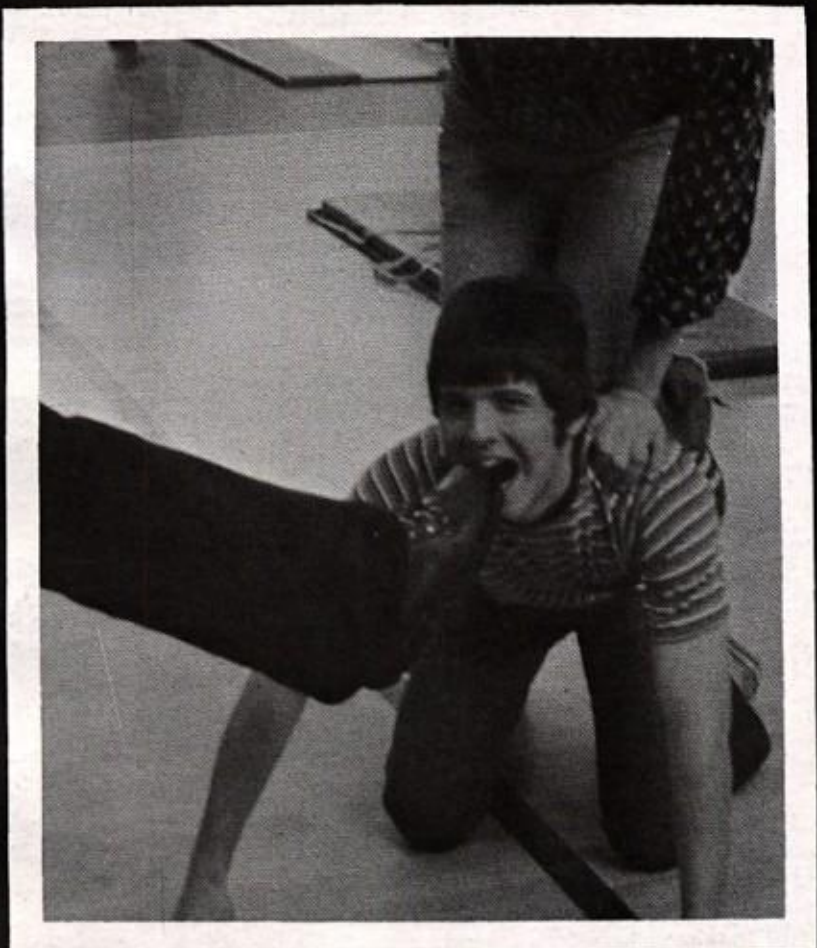

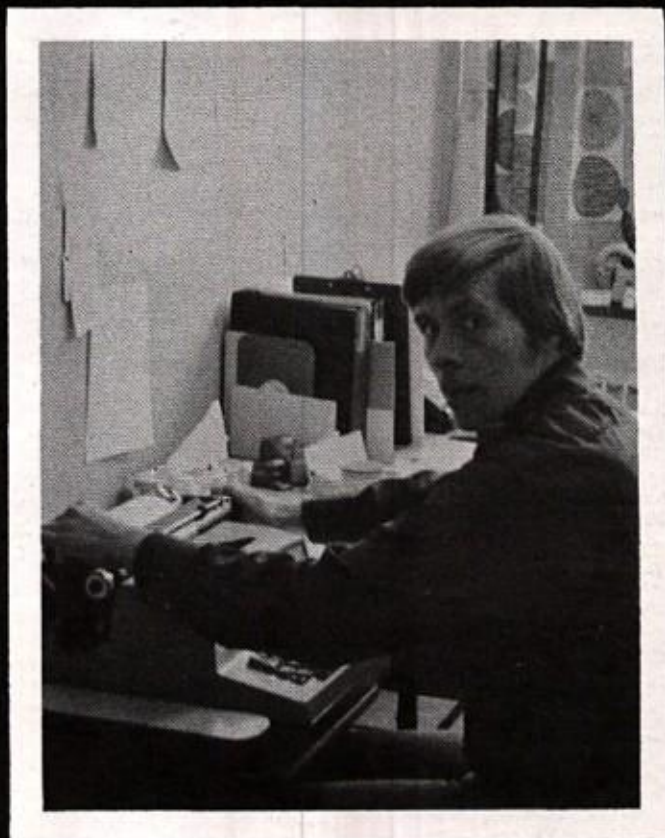

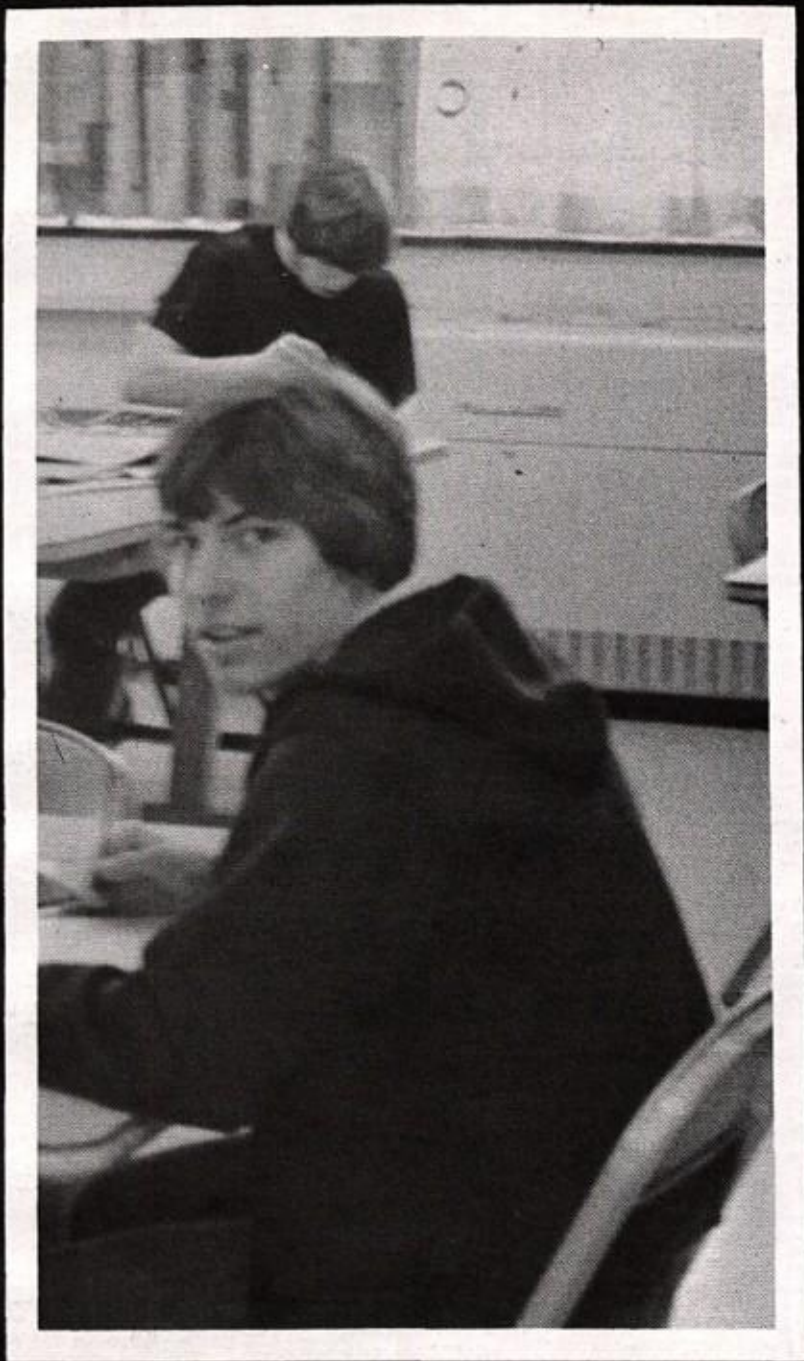

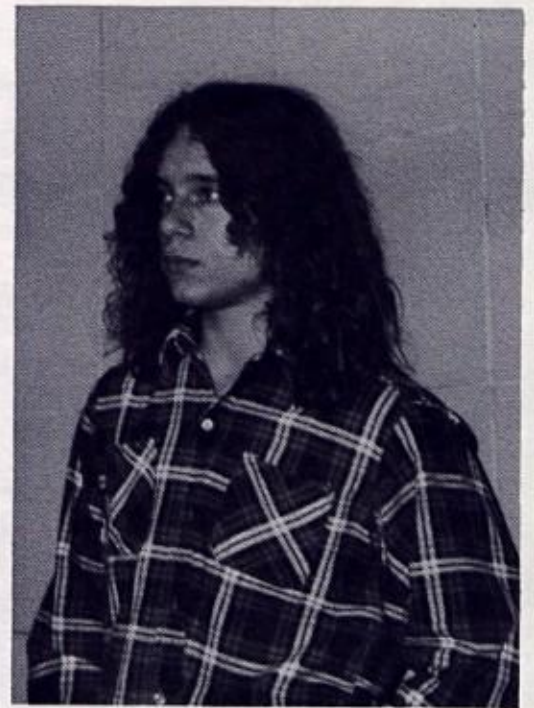

The class of '76 wishes to dedicate this yearbook to our principal, Mr. James E. Donovan. Throughout our years at RHS his friendly smile and his sincere interest in every student had encouraged us to strive for our goals. We wished to honor a person who selflessly gives of his time and talents to help us in our activities, a person who has faith in our generation. It is particularly difficult for students to find someone to whom he can relate. Mr. D. has attained the respect and love of both faculty and students by reason of sincere interest and understanding. In recognition of his qualifications, beliefs, and efforts, we proudly and sincerely dedicate this yearbook to Mr. James E. Donovan, a principal, a leader, and a "good friend."

Class Advisor - Mr. Grandinetti

A new door opened for us five years ago and we entered the High School with great enthusiasm. We were the little people of the school. We were little, but our dreams were big. It started off with making new friends, sharing lockers, buying gymsuits, and our first record hop. Yet, we didn't stop here, for we had alot more to explore. We experienced such things as crowded classrooms, lunch periods, and study halls. As time went on, we got ourselves established and more new doors opened. We had money raising projects such as dances and selling pizzas. The first few years had gone by and they will be imprinted in our minds forever. As we started our Sophomore year we were busy thinking of the future years at RHS. We'll never forget our good times in class with Mr. Catalano and Driver's Training and our birthday whacks from Mr. Burkhouse. This was a big year for us because we ordered our class rings. Boy what confusion! We entered our Junior year with alot to

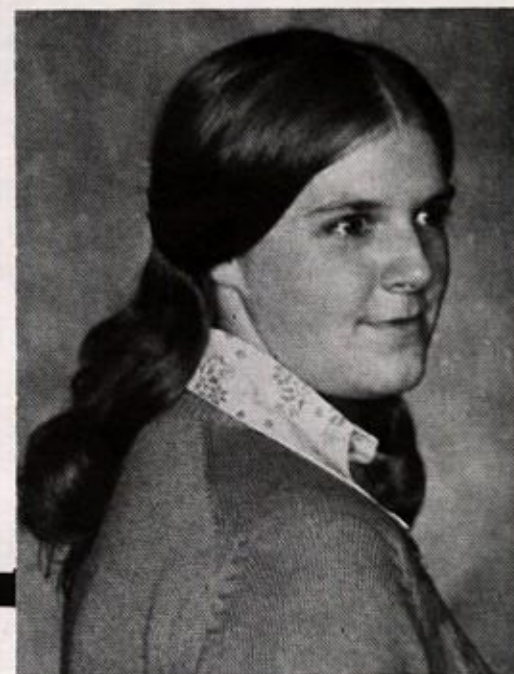

look forward to like getting our class rings, decorating for the Prom, "Pieces of April" and of course college boards. As we entered our Senior year we had even more to look forward to than the year before. We were now the big people of the high school. We experienced such things as having an undefeated football team for two years in a row and homecoming - Diane Prechtl, queen; planning for the Sno-Ball "An Old Fashioned Christmas" and the Senior trip, Williamsburg. Also, we had the best magazine sale ever. As the short time before graduation came upon us, we never forgot what we experienced those last few years at RHS. After graduation, another door will open for us and we'll enter it with the same enthusiasm as we did five years ago. But, whatever new door we enter, we'll always remember our great experiences at RHS and the great Class of '76.

Principal

One of the most loyal friends of our school is our principal, Mr. James Donovan. Always ready to help, he gives of himself. Mr. Donovan is an avid Penn State "rooter", and is a former athlete himself. When Mr. Donovan asks for our attention (please) everyone listens. As we look back, we will never forget him, for he is part of our experience as we progress through high school.

Assistant Principal

Mr. Richard Byrne

Mr. Byrne is a very busy man. His day starts off with taking care of attendance, which is a job that has no end. It follows through with controlling line jumping and his day ends with checking corridor passes. He has been with us for just a short time but, with this time he has earned our respect. His intention in this school is to enforce disciplinary action when needed.

The Key club is a group of concerned boys from RHS who are interested in the betterment of Ridgway. They have helped the students of RHS by purchasing a Universal Gym and Whirlpool. They have brought in B.E. Taylor for the student's entertainment and also helped with the "Up With People" who visited our school. They also help out the many different organizations of Ridgway. The Key Club is a club that is truly involved with the people of Ridgway and can be found when ever help is needed.

The Varsity Club of RHS is made up of Varsity athletes and cheerleaders. They work very hard on fund raising projects such as dances after games, selling candy, tumblers, and candles. The money is used to purchase jackets and sweaters for the members at the end of the year.

One of the most unrecognized organizations in our school needs introduced. The Forestry Crew, not a money-making club, but one that's on call twenty-four hours a day, to fight fires in our surrounding area. Under the direction of Mr. Phil Burkhouse, these boys are doing a fine job.

Latin Club

Club

The Latin Club is made up of the Latin Students in our school. Like other clubs, they have fund raising projects such as bake sales and dances. Their main goal is to raise enough money to take a trip to Pittsburgh to learn more about the Latin heritage.

The French Club is made up of French II and III students and meets during class time. It is not like other clubs in that it does not have fund raising projects. They see films of France, read French newspapers and some students have penpals in France which they write to. This way the students learn more about France and the kind of living that goes on.

The P.A. Announcers are responsible for making morning and after noon announcements. Without these people, the students and teachers would not know about certain activities that go on in the school.

Another important group of people in the school are the Elker Pride Club. These people are known for having spirit and speaking it. They go to games and yell our team on to victory. They also are known for helping out with buses to away games. This club is truly something every school should have.

N. Cole, R. Murphy, B. Wilson, B. Lundin

Public Address Announcers

Elker

Although the happenings of yesterday should be the cherished memories of today, they are often forgotten. The Elker is a pictorial history of our years at R.H.S., as well as being the Seniors last remembrance of the school. The yearbook strives to cover all the events that have taken place during the year, such as sports, clubs, and various events.

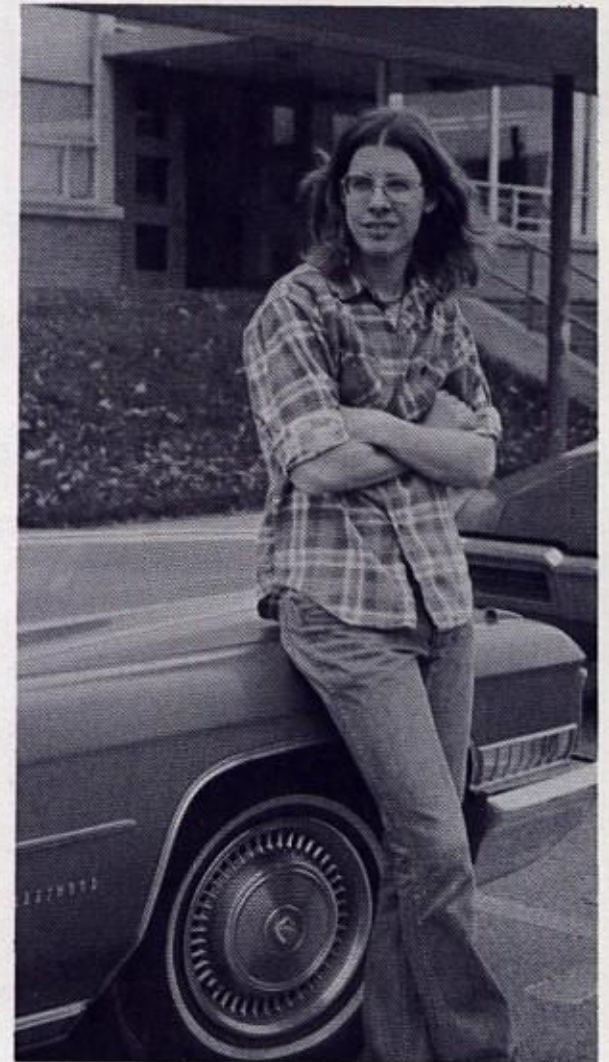

The "76" Elker Yearbook Staff would like to thank Dave Santaniello for all of his talented artwork appearing in this years yearbook.

The project of the American Field Service is to bring foreign exchange students to our school. They do this by money raising projects such as hoagie sales and tag days. The club did bring an exchange student to the school two years ago and they hope to have one in the near future.

The Elker Christian Club unifies the students of RHS who wish to exchange their ideas and beliefs about the Christian faith. This year membership of the club has increased. Ms. Mary Ann Fiddler sponsors this organization.

The Thespian Society is made up of students who participated in drama activities in the school. They received so many points due to their participation in the activity. They are initiated and made members of the International Thespian Society, which is found nationwide.

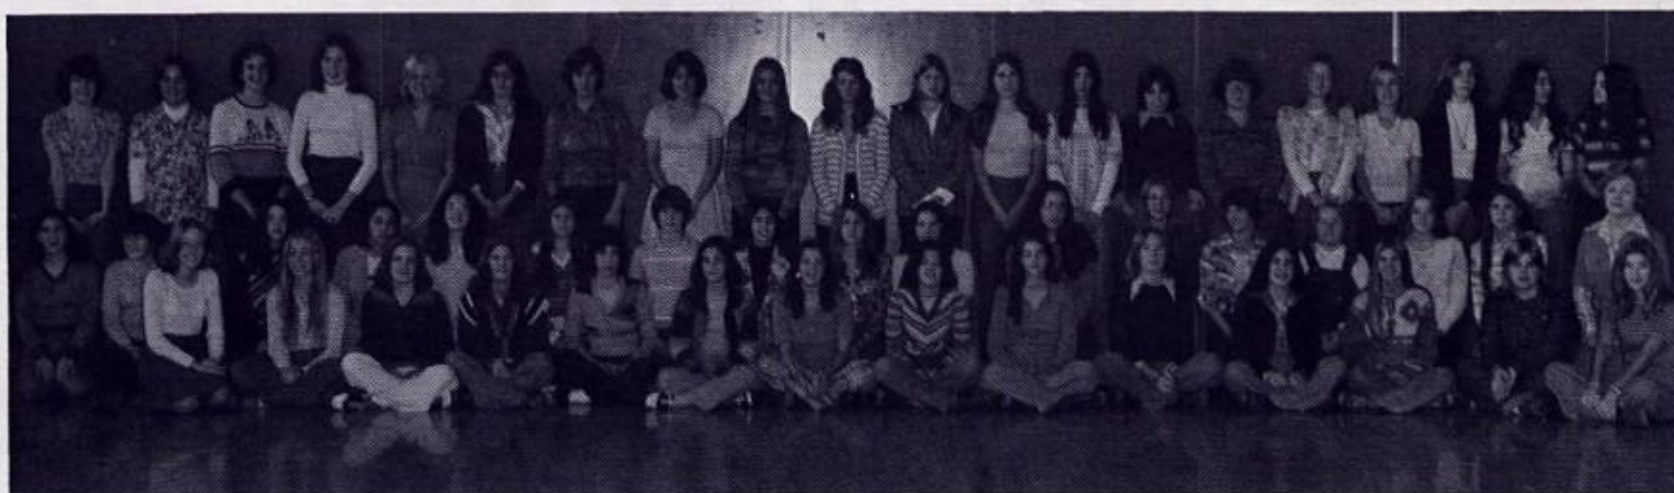

The Student Council, a club whose primary objective is to promote student reforms, has been very active this year. Aside from attending Elk County Student Council every month, the club was given the opportunity to participate in the Student Council Conference held in the Poconos in October. This organization has also supervised Homecoming and has helped arrange for a foreign exchange student. Mr. Thomas Grimm is the advisor.

"Don't Drink The Water"

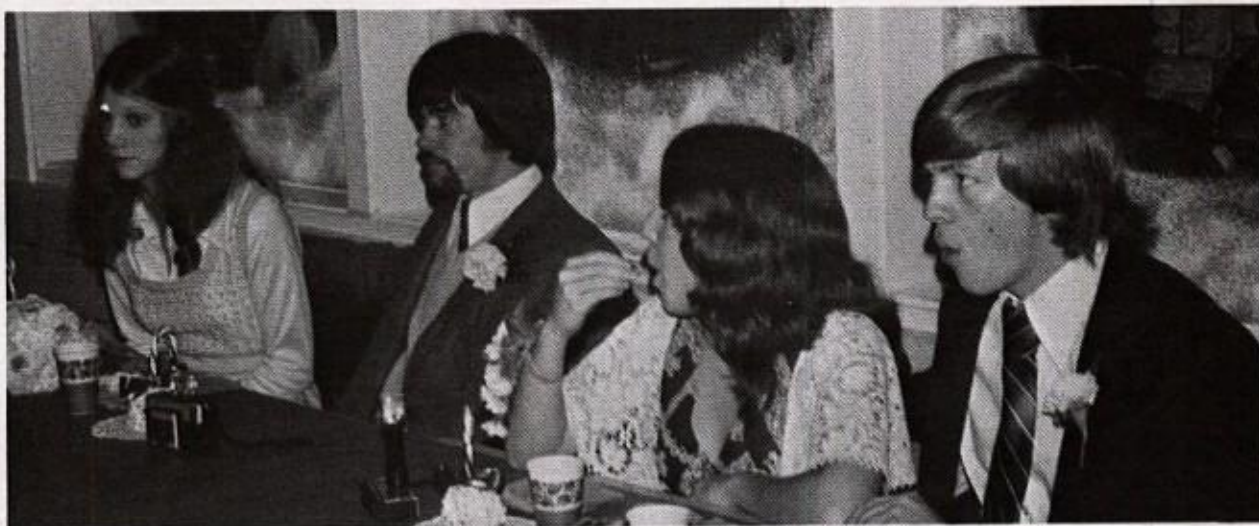

The comedy play "Don't Drink The Water" was presented November 14th and 15th. It was about a family of American tourists stranded in a country behind the iron curtain. The play involved the hilarious antics in their attempt to escape. The cast and crew did a great job in performing this production.

Lilian The Chilian

Lilian Gaedicke, a charming young lady from Chile, had attended RHS for three months this year under the Open Door Student Exchange Program. For the first two weeks of school, Lilian visited various classes and then selected the ones that she thought would benefit her. Day by day she learned more of the English language. She made friends quickly attending school functions and parties. Lilian's "family" was the family of Mr. and Mrs. Donald Johnson of Pine St.

Lilian, era un placsir graude tenerla eu nuestra escuela. Esperanos que usted aprendió algo de la vida en los Estados Unidos y gazo su visita en Ridgway.

Elkers Reach Playoffs

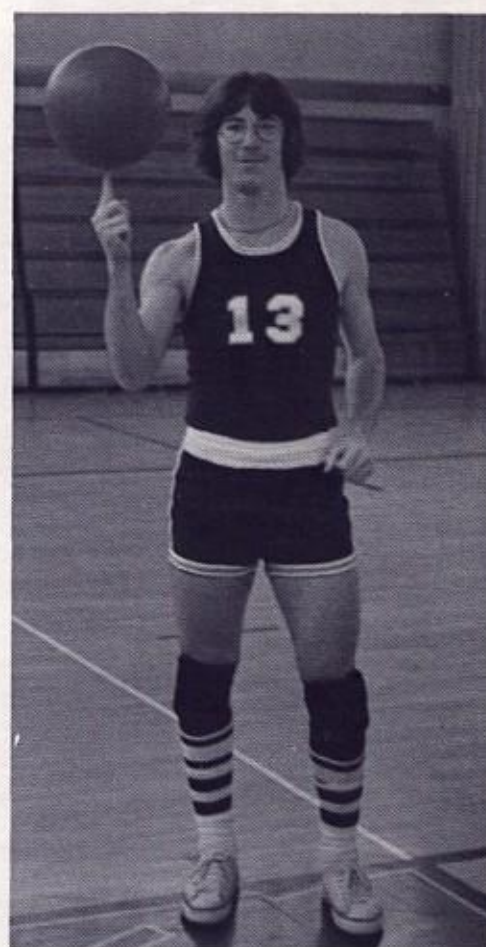

Congratulations to the Elker Basketball team on a fine season in '76. The Elkers compiled a 15-16 record in the regular season, finishing second overall and first in class AA Alkin League standings. Many exciting victories marked the Elkers season, including a thrilling 67-66 victory over Johnsonburg. For the first time in many years the Elkers made it to the District 9 playoffs and they opened with an exciting 68-64 victory over Curwensville. On the second step toward the District Championship the Elker's fell to Brookville after a fierce struggle, 57-50. The Elker's continued in this double elimination tournament, however, they lost at the hands of Moniteau 71-60. Once again we congratulate the Elker's for completing one of the finest seasons of basketball in Ridgway's history.

The 1975 Ridgway Elker squad holds all of the school's records, and they made it look easy. They finished their second consecutive undefeated season with a win over arch rival Johnsonburg. The Elkers have now won 21 games in a row, and finished the season with the mark for the most points scored with 328 while tying the record for fewest points surrendered in a season with 13. The juniors on the team have never tasted a loss, and never before have so many sophomores been placed in the starting line-up. But the seniors have the honor and prestige shining on them, and have one of the longest winning streaks in the entire state. In the process they racked up their second consecutive Bucktail Conference, Alkin League and the mythical Elk County titles. Coach Zwald has also achieved a first for his career with back to back undefeated years.

The long hours of practice, the hard work, and the constant drilling from the coaches can be reason enough for our winning season. But this year the team had some very special support. The Ridgway Elker Band has offered their continuous pride in the team, and the cheerleaders were always there.

Homecoming Queen Diane Prethl was crowned at the auditorium because of the torrent of rain after the Sheffield game.

After having one of the happiest Halloween nights ever, the season wasn't quite over. Quattrone's camp was secured, and the team and friends were due for a celebration. This officially closed the season, with high hopes for next year . . . 3 in a row.

Homecoming 75

Homecoming took place on Oct. 17 after the Smethport game. Due to the heavy rains, homecoming was held in the auditorium after the game. It was conducted differently from other years. The seniors nominated five girls through voting. The five candidates were Lorriane Heigel, Marianne Marzzacco, Gloria Pasi, Diane Prechtl, and Mary Thompson. The student body then voted on those candidates. Diane Prechtl was crowned the new Homecoming Queen of 1975-76, with Marianne Marzzacco as first runner-up.

Smorgasbord from the forest

This year every man, woman, and child will use the equivalent of a 100-foot tree. And the products are a wide variety: building materials, paper, packaging, film, fabrics, fuel, and plastics.

Besides that, the forest provides recreational opportunity, serves as wildlife habitat, protects watersheds and returns oxygen to the atmosphere.
